Legislative leaders and the Governor are working on a gambling expansion plan that could include: 1) a city-owned casino in Chicago, 2) additional casinos, 3) slots at racetracks, 4) expanding gambling positions at existing casinos, 5) Account Deposit Wagering that legalizes Internet gambling on horse racing. Please Circulate Petitions from November 28 – December 11, 2007.

Gambling has not solved the state's funding problems in the past, and it cannot do so now. We the undersigned are OPPOSED to the expansion of gambling in Illinois. We call upon our State Legislators and the Governor to work together to find a solution without expanding gambling.
